NARRATIVE:

James Chambers is a documented gang member with an extensive adult criminal history that began at the age of 19. His convictions include carrying a loaded firearm, assault with a deadly weapon, possession of a firearm by a felon, vehicle theft, carrying a concealed weapon, possession of narcotics for sale, petty theft, several convictions for the transportation of narcotics, driving under the influence of alcohol, possession of marijuana and failing to report. He has served multiple state prison terms, the longest being a 7 year term for possession of controlled substances for sale. Chambers was released from state prison to the supervision of the Los Angeles County Probation Department on March 20, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2015 after he absconded from post release community supervision (PRCS). Chambers qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substance for sale is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
